

Cambodia's Killing Fields Are Still Killing:

- A Nation's Economy - Median Wage is \$26 per MONTH
- A People's Future - Education and Medicine are decades behind
- A Future Nation's Hope and Morale - Vice, Prostitution, "Slavery" start pre-teen

How your gift will be multiplied
many times.

Interior of Big Canoe Home is in a wonderful mountaintop location. It desperately needs a major interior facelift. Gifts from children to retirees and from churches to businesses will be vital toward producing a \$100,000+ profit in 2008.

Please see back panel for game plan on how you can forever change a life (even *many* lives) in a nation worthy of your help.

What we've *already* accomplished to build a solid ground work for the school.

Our home for battered and neglected young women.

Our Cambodian Leader and University Founder, Setan Lee, with children at our David Orphanage.

Young men from our Both Odom Center.

Eager learners at our Battambang Trade School.

One of many churches we encourage in Cambodia.

Hundreds are fed daily through our provision programs.

Thousands of young people desperately want higher education.

52 acre university site, already blue-printed.

Visit www.kampforchrist.com for more info on KFCI, or to request a Cambodia DVD or book from our Concerned Group here in Georgia. (More information on back panel)

Please request extra brochures for a friend, church or business associate.

How you can make a difference

The first \$100,000 of sale proceeds of the pictured home will go directly to dry-in vital 1st stage of university (52 acres, \$50,000, and initial staff already in place).

Any remaining funds above \$100,000 will be donated to worthy local non-profit endeavors.
